

LEBANON CARDIOLOGY ASSOCIATES, PC

INCLEMENT WEATHER POLICY

Circumstances such as power outages and severe winter weather may lead us to delay and/or close the office.

To better serve our patients we have put into place a delay/closing policy for circumstances beyond our control.

To confirm delays and/or closings turn to the radio and television stations listed below before leaving for your appointment.

RADIO: 1270 WLBR-AM & 100.1 WQIC-FM

**TV: WHTM CHANNEL 27 – WWW.WHTM.COM
WGAL CHANNEL 8 – WWW.WGAL.COM**

A 2 hour delay will mean that the office will open at 10am. All appointments that were scheduled during the closed time will be cancelled. You will be contacted to reschedule your appointment.

Delays could change to closing so check again just before leaving for your appointment.
